

Clean out your garage and help out needy families in our community!

You can help needy families in the Chicagoland area by donating your used items. Your donation will make a great difference to the men, women and children who have limited funds to buy those items that may be gathering dust in your closet.

FURNITURE	SPORTS EQUIPMENT	BIKES
CLOTHES	BABY ACCESSORIES	TOYS
APPLIANCES	TOOLS	...and much more!

Pickup arrangements may be made for larger items.
